

Carisbrook Collision Repair Centre understands accidents can happen,
so we have created this form to assist in your time of need.

Emergency Services

Call 131 444 or 000 if emergency assistance is required. Notify the police if any personal injury is involved, and the location of the accident.

Towing

If your vehicle requires towing, phone us on 8281 8800. If another towing company is assigned to you and you would like your vehicle towed to us, please call us on our 24hr number. We will make arrangements to either have the vehicle towed directly to us or arrange to pick the car up the next day from the depot.

Repairs

Call your insurance company as soon as possible to discuss claims procedures. Carisbrook Collision can assist you with all your insurance claim needs. We can arrange a prompt assessment with your insurance company to start the repair process, and have your vehicle back on the road safely as soon as possible.

Accident Details
