

CARISBROOK

COLLISION REPAIR CENTRE

Carisbrook Collision Repair Centre understands accidents can happen,
so we have created this form to assist in your time of need!

Emergency Services

Call 131 444 to notify the police that the accident has occurred, and if anyone is seriously injured call 000.

Towing

If your vehicle requires towing phone us on 8281 8800. If another towing company is assigned to you and you would like your vehicle to come to us, let us know and we can make arrangements to either have the vehicle towed directly to us or arrange to pick the car up the next day from their depot.

Repairs

Call your insurance company as soon as possible to discuss claims procedures. Carisbrook Collision can assist you with all your insurance claim needs. We can arrange a prompt assessment with your insurance company to start the repair process, and have your vehicle back on the road safely as soon as possible.
